[Final Mgmt-ERP-OCPI joint meeting agenda.docx](#)

This is a reminder that we have scheduled an AAR for the Gold King Mine Incident with staff and managers for next Tuesday morning in the conference center. Your attendance is requested and encouraged. This retreat is the culmination of group retreats that were held with our response and preparedness program, one with the OCPI staff, and one with managers including myself. Based on the feedback from those retreats, a small group has developed an agenda for next Tuesday's session that will focus on recommendations from the three prior retreats. Attached is an agenda for the meeting.

Please come and contribute to our efforts to improve regional responses.

Thank you.
